

Make Math More Enriching.

NEW! Enrichment Resource Masters

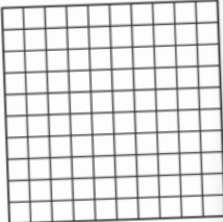

Looking for math enrichment activities? New enVision New York Enrichment Resource Masters provide more challenge and engagement for advanced math students and “fast finishers.” One page for every lesson, the enrichment activities support problem solving, reasoning, measurement and data, and operations and algebraic thinking. Teachers can download or copy the blackline masters with little instruction time required. Students can complete the tasks independently or in small groups.

Name _____ Enrichment **6-1**

A Square Mosaic

On the grid below make a 3-colored design so that:

- One of every four squares are colored blue.
- Half of the squares are colored red.
- One of every four squares are colored yellow.

- Write the area covered by each color of your design.
 - Blue: _____ square units
 - Red: _____ square units
 - Yellow: _____ square units
- Write the area covered by all the colors of your design. _____ square units

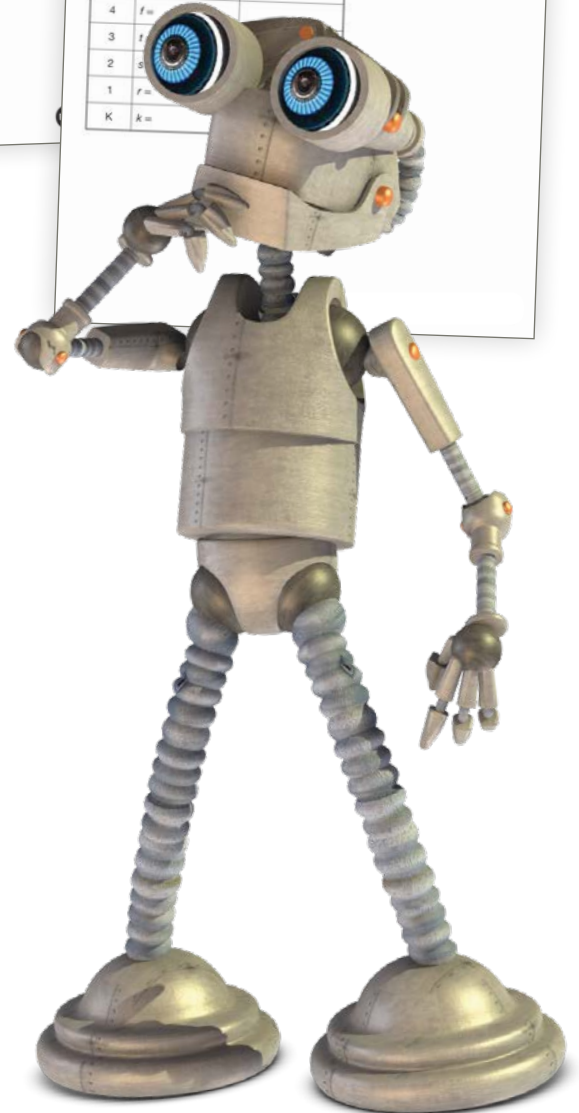

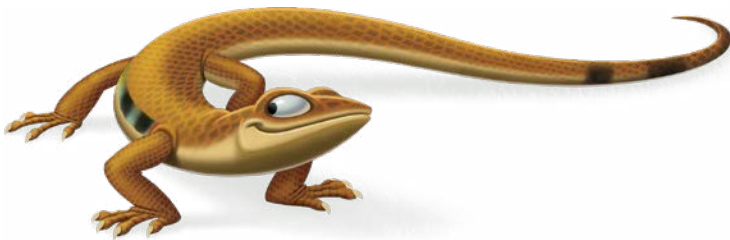

Name _____ Enrichment **6-1**

Recess Time!

Use the following clues to complete the table. Write an equation you can use to find the number of minutes of recess each grade gets each day.

- The fifth grade class gets 15 minutes of recess each day.
- The fourth grade class gets 10 more minutes of recess than the fifth grade class.
- The third grade class gets twice as many minutes of recess as the fifth grade class.
- The second grade class gets 15 more minutes of recess than the fourth grade class.
- The first grade class gets 3 times as many minutes of recess as the fifth grade class.
- The kindergarten class gets 30 more minutes of recess than the fourth grade class.

Grade	Equation	Minutes of Recess
5		15
4	$f =$	
3	$f =$	
2	$s =$	
1	$f =$	
K	$k =$	

Grades K-5 Enrichment for Every Lesson

- Integrates seamlessly with enVision New York curriculum
- 15-30 minute enrichment activities
- 1 page per lesson, blackline masters with teacher answer key
- Challenge and motivate advanced math students
- Engage students who complete their other work early
- English online and print; Spanish online
- Great for independent or group work, and for homework

Do Your Advanced Students Get the Challenge They Need?

Teachers are always looking for enrichment activities that help students dig deeper into math concepts. New Enrichment Resource Masters for **enVision** New York challenge above-level students to apply new math strategies and knowledge.

ENRICHMENT ACTIVITIES

Take learning to the next level. Enrichment activities help advanced learners and “fast finishers” dig deeper into the lessons you’re teaching.

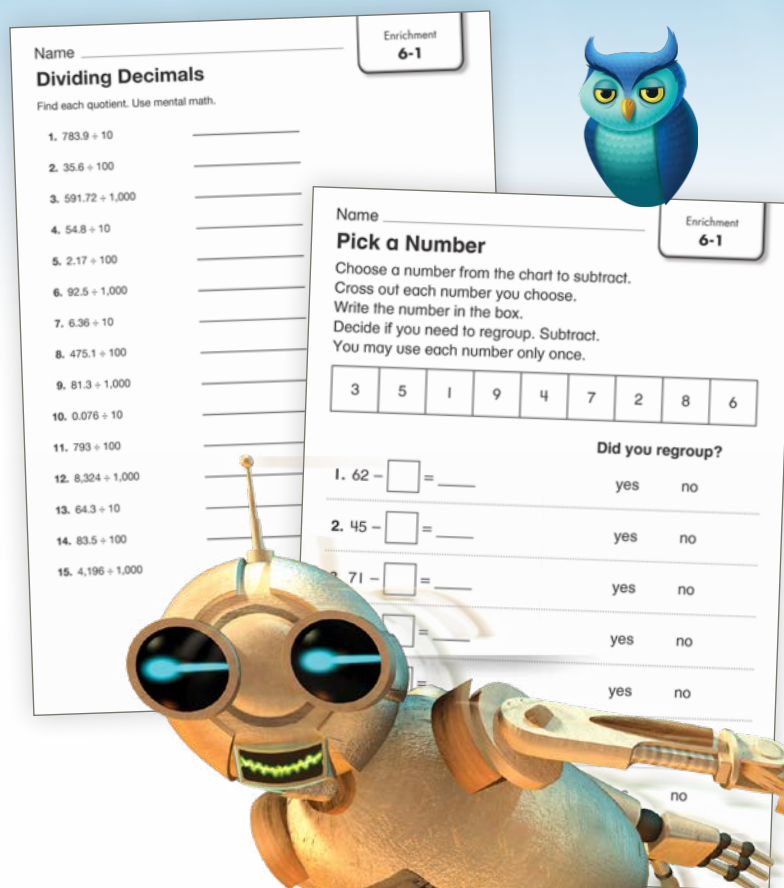

ENGLISH AND SPANISH

Enrichment is available in English and Spanish. Challenge students in the language they understand best, or encourage bilingual learning.

TEACHER TIME SAVER

There’s no need to search for the right activities or create your own. Enrichment Resource Masters support every lesson in **enVision** New York.
