Bring the latest technology into your classroom

Interactive MUSIC powered by Silver Burdett™ with Alfred provides the first all-digital program for any general music classroom. Each grade level includes a variety of age-appropriate content to enhance music learning. Motivating digital resources engage all students in the learning process. To support instruction, Interactive Music brings an exciting mix of songs and listening selections.

Listening Activities

Build and demonstrate critical, analytical, and perceptual aural skills through Listening Activities in *interactive MUSIC*. Selections represent and demonstrate a variety of genres, historical periods, and prominent composers and performers.

- MP3 files
- Projectable Activities
- Animated Listening Maps
- Interactive Listening Activities
- Music Makers
- Listening Activity Teacher Notes

Animated Listening Activities build skills in listening and understanding music.

Music Makers allow students to learn about some of the great musicians of the past and present.

Through a partnership with Naxos of America, *interactive MUSIC* brings high-quality listening selections to support instruction.
