# Pearson eText App for iPad® and Android™

Now you can experience *Pearson eText* on the go—anytime, anywhere—with the dynamic features of your iPad or Android device. The *Pearson eText* App provides the same features available to subscribers of the browser-based *MyLab*®and *Mastering*®with *Pearson eText:* full-text search, highlighting, note-taking, bookmarking, support for multimedia content, and glossaries. Plus, students can download chapters to work offline. *Pearson mobile eTexts* are only available for select titles.

*Contact your Account General Manager for more information.*
