# Professional Learning Community Video: Discussion Guide

## Topic: The Science of Reading: Systematic and Explicit

Systematic Instruction means that instruction follows the same routines for delivery every time. What systems do you have in place within your instruction?

Explicit Instruction includes modeling and teaching as part of the gradual release model. How does explicit instruction differ from the traditional "I do, We do, You do" model?

In your classroom, how does pacing impact your instruction? What informs your pacing?

When considering systematic and explicit instruction: (a) What do you do well? (b) Where are your opportunities for growth? (c) How can your PLC help?
