## **Introduction**

This document demonstrates how *myView Literacy*, ©2020 meets the Alaska English/Language Arts Standards. Correlation page references are to the Teacher Edition and Digital Resources, and are cited by grade, unit and page references, or digital activities.

*myView Literacy* is a K-5 comprehensive, interactive literacy program that provides a balanced approach to teaching reading, writing, speaking, listening and viewing using a collection authentic reading texts and collaborative writing workshops. Competencies of 21st century thinking and social-emotional learning are taught and practiced using authentic literature, highly-engaging trade books, collaborative learning, and project-based inquiry. The instructional model follows connected reading and writing workshops that focus on teaching the critical skills and strategies students need to be highly competent thinkers, readers, and writers ready for college and career. It is designed to teach students to think carefully about what they read, discern what is relevant to them, and what is important in their world. *myView Literacy* offers a balanced instructional model with an emphasis on conceptual understandings, standards-based instruction and application through rigorous performance tasks and the workshop model.

### **Inspire Confidence and Collaboration**

- Create opportunities for student success. Provide a supportive and nurturing environment that empowers students to become independent learners.

### **Focus on Balance and Flexibility**

- Develop predictable routines for teaching and learning. Minilessons, small groups, and collaboration lead to a gradual release of responsibility.

### **Nurture Every Learner**

- Spend more time coaching, differentiating, and promoting positive attitudes toward reading and writing.
