

A Correlation of
myWorld Interactive American History
Survey Edition, ©2019

to the
Arkansas Social Studies Curriculum
Framework 2014
Grade 8

A Correlation of myWorld Interactive American History, Survey Edition, ©2019 to the Arkansas Social Studies Curriculum Framework 2014 for Grade 8

Introduction

This document demonstrates how *myWorld Interactive American History Survey Edition* ©2019 meets the Arkansas Social Studies Curriculum Framework 2014 for Grade 8. Correlation page references are to the Student Edition and Teacher Edition and Realize digital resources..

myWorld Interactive American History encourages students to explore their world, expand their thinking, and engage their college, career, and civic awareness. Built in partnership with educators, the curriculum applies the latest research and technology to create a program that is flexible and easily adapts to every classroom. Using print and digital materials to maximize learning and classroom time, students explore the world while learning core social studies standards and enhancing their literacy skills.

- **Interactive Student Worktext** encourages writing, drawing, and highlighting to support self-motivated learning.
- **Jumpstart Activities** spark interest and connect lesson content with students' knowledge and ideas.
- **Project-Based Quests** engage students in rich inquiry experiences throughout each chapter.
- **Biographies** model important citizenship skills and tie-in real world applications.
- **myWorld Interactive Activity Guide** provides extended activities, quick activities, and Readers Theater to vary the learning and teaching experience.

myWorld Interactive American History provides students with multiple opportunities to connect, investigate, synthesize, and demonstrate their understanding of the content. Students develop into informed, active, responsible citizens who can make a difference now.
