A Correlation of Scott Foresman Reading Street Grade 3, ©2013, to the 2016 Mississippi College- and Career-Readiness Standards for English Language Arts

Introduction

This document demonstrates how *Scott Foresman Reading Street Common Core*, ©2013 meets the *2016 Mississippi College- and Career-Readiness Standards for English Language Arts*. Correlation page references are to the Teacher's Edition and are cited by grade, unit and page references. Lessons in the annotated Teacher's Edition contain facsimile Student Edition and ancillary pages. *Writing to Sources*, a component of *Reading Street*, is also cited in this correlation by unit and page number.

Teaching *Scott Foresman Reading Street, Common Core* is teaching the Common Core. *Reading Street* is built to help teachers easily implement the Common Core State Standards through rigor and relevance, text complexity, persuasive and informational writing, and personalized learning. A focus on concepts, language, and content area knowledge ensures that students are building that deep, transferable knowledge necessary for comprehension, and ultimately, college and career readiness.

Scott Foresman Reading Street, Common Core is a comprehensive reading program for Kindergarten through Grade Six that is built on solid research and prioritizes instruction for the five core areas of reading instruction for every grade: Phonemic Awareness, Phonics, Fluency, Vocabulary and Text-Based Comprehension. The foundation of the program was built by an authorship team comprised of nationally-renowned authors who have also been leaders in the creation and review of the Common Core State Standards. These authors include Karen Wixson, Peter Afflerbach, and P. David Pearson.

At the heart of *Reading Street*—and the Common Core State Standards—is the goal of all students to be able to comprehend on-level text independently. Among the instruction to aid in this goal is the Read for Understanding Routine, which guides students through the main selection following a Close Reading routine to develop higher-order thinking skills. The *Reading Street Sleuth* encourages students to read like a detective and to use textual evidence as clues to make their case and prove it through performance tasks.

Writing on Reading Street

Writing instruction on *Reading Street* emphasizes the reciprocal nature of reading and writing. Writing instruction integrates the skills and knowledge that students learn and practice as they read and helps students apply those skills and that knowledge in their writing.

Differentiated Instruction for Small Group Time

Reading Street instruction is systematic, explicit, and highly focused for all ability levels. Weekly plans and daily lessons provide small group instruction for Strategic Intervention (below level), On-Level, Advanced, and English Language Learners. *Reading Street* follows the Response to Intervention model (RTI) to meet the instructional needs of all students. It offers a process that monitors student's progress throughout the year so teachers can support on-level and advanced students and identify struggling readers early.

ELL Instruction

Daily support for English language learners can be found throughout the *Reading Street* Teacher's Edition. ELL and ELD Readers reinforce the weekly concept and vocabulary while building language and fluency.

21st Century Skills

Technology on *Scott Foresman Reading Street* can be used both for enhancing student experiences and preparing them for the future. Throughout the year, research-based technology options enrich instruction and assist in the management of classroom learning.
