Era The Classical Civilizations of the Mediterranean World, India, and China (1000 BCE-600 CE)	
By the end of grade 8	
Content Statement 3. The Classical Civilizations of the Mediterranean World, India, and China	
Classical civilizations (i.e., Greece, Rome, India and China) developed and expanded into empires of unprecedented size and diversity by creating centralized governments and promoting commerce, a common culture, and social values.	
Cultural exchange and diffusion dramatically increased, and enduring world religions emerged, during the era of classical civilizations.	
Classical civilizations declined as a result of internal weaknesses and external invasions, but they left lasting legacies for future civilizations.
