Introduction

This document demonstrates how **Savvas iLit 20 ©2018** meets the objectives of Ohio’s Learning Standards for English Language Arts (2017). Correlation references are to the Teacher App and Student App.

Savvas iLit is a comprehensive literacy solution designed to produce two or more years of reading growth in a single year. **iLit** is based on a proven instructional model that has produced successful results for students in districts across the country for more than a decade. **iLit** has been carefully crafted to meet the rigors of the Common Core State Standards and prepare students for success on the new assessments. Instruction is personalized based on a constant stream of data from a wide range of embedded assessments, including text-based performance tasks.

iLit engages students like no other reading program through its vast e-library of high-interest texts, instant coaching and feedback for scaffolded support, engaging activities, and built-in reward systems that motivate students and track their progress.

iLit20 is a supplemental literacy program that supports core ELA curriculum and encourage independent reading at just the right level.

iLit20 provides personalized literacy through adaptive performance-based instruction that automatically tracks students’ reading growth, steadily increasing their capacity to read more complex text.

iLit20 is designed as a flexible implementation model used 15-20 minutes per day two to five times per week to supplement a core reading program.
