**Everyone has a story. What’s yours?**

*myWorld Social Studies™* utilizes storytelling to bring social studies content to life. Exclusive interactive digital solution makes social studies personal for every student in a way that’s easier for the instructor. With *myWorld Social Studies*, you can get to the heart of social studies in the time you have.

**Reinforce literacy instruction** Every minute spent teaching social studies also reinforces reading and writing instruction.

**Reduce prep time** Ready-made digital presentations, quick-start *Teacher Guide*, and easy-to-use online resources reduce time.

**Keep it current** Teach to the moment using *Savvas’ exclusive myStory Book Current Events* prompts.

**Interactive Student Text**

Interactive *Student Worktexts* promote active learning and support students who are learning to read in the content areas. Standards-based content is presented in an interactive format that promotes active reading strategies.

**Scott Foresman Reading Street Common Core**

**Reading Street Common Core** is a comprehensive reading program that is built on solid research and prioritizes instruction for the five core areas of reading instruction for every grade: Phonemic Awareness, Phonics, Fluency, Vocabulary and Text-Based Comprehension. The foundation of the program was built by an authorship team comprised of nationally renowned authors who are also leaders in the creation and review of the Common Core State Standards. These include Karen Wixson, Peter Afflerbach, and P. David Pearson.

**Reading Street Common Core** is built to help teachers easily implement the Common Core State Standards through rigor and relevance, text complexity, persuasive and informational writing, and personalized learning. A focus on concepts, language, and content area knowledge ensures that students are building that deep, transferable knowledge necessary for comprehension, and ultimately, college and career readiness.

At the heart of **Reading Street**—and the Common Core State Standards—is the goal that all students are able to comprehend on-level text independently. Students have numerous varied opportunities to meet each standard at each grade level. Among the instruction that aids in this goal is the *Read for Understanding Routine*, which includes guiding students through the main selection using structured *Access Text* instruction, as well as *Close Reading* instruction to develop students’ higher-order thinking skills. *Reading Street Sleuth* encourages students to read like a detective and to use textual evidence as clues to make their case and prove it through performance tasks.
